ABOUT OUR SPEAKERS

DR. SRIDEVI PURUSHOTHAMAN

**PROFESSOR (RETD.) MADRAS VETERINARY COLLEGE, TAMILNADU
VETERINARY AND ANIMAL SCIENCES UNIVERSITY - CHENNAI, INDIA.**

Dr.P.Sridevi completed her B.V.Sc in the year 1989, Masters and PhD in 1994 and 2001 respectively. Dr.P.Sridevi has 28 years of experience in teaching, research and extension and her area of specialisation is canine reproduction. She has 25 lead papers, 8 key note addresses and more than 400 guest lectures to her credit, all in the area of canine reproduction. She is the recipient of 23 awards, including the Petcare Award for Canine Excellence in 2004, Tamil Nadu Young Woman Scientist Award in 2005, Outstanding Women of the Year Award in 2008 and the Best Clinician Award in 2012. She is also the recipient of the Shantha Memorial Prize in 2018 for the Best Book "Canine Reproduction: Theory and Practice". Dr.P.Sridevi has been a frequent speaker in several trainings, symposia, seminars and conferences and has organized and participated in several workshops for veterinarians all over India as a part of continuing education programs.

DR. NOOPUR DESAI

THE FOUNDER AND ONCOLOGIST AT THE CANCER VET - MUMBAI

After completing a fellowship in Medical Oncology at Michigan state university and residency in Radiation Oncology from the University of Wisconsin, Madison, Dr Desai worked as an Assistant professor in Oncology at The Ohio State University before moving back to India.

One of the main reasons she moved back to India was to bring home what she learned over the years in the US and to enhance cancer care for the pets here. Her passion is treating patients, training a newer generation of veterinarians, and performing clinical research.

DR ADARSH KUMAR

**PROFESSOR AND HEAD OF VETERINARY
CLINICAL COMPLEX, PALAMPUR. HP.**

Dr. Adarsh Kumar is a Professor and former Head of Surgery and Radiology at Veterinary College Palampur. He has over 27 years of clinical experience in teaching and research. He had been active in Institution building and contributed by introducing advanced applied clinical technologies and establishing state of art facilities in the field of anaesthesia and critical care, diagnostic imaging, dentistry and soft tissue surgery. On overseas assignment as Visiting Professor at the University of Tripoli, Libya, he worked in a university equine and companion animal hospital. Dr. Adarsh has published 156 Research articles, 3 Books, 3 manuals, 13 book chapters, guided 29 PG students, and generated 13 technologies which include a popular orthopaedic implant, commercially available as "ADMIT PIN" for the management of long bone fractures in small animals. He is a regular speaker in many CE courses and trainings

NEARBY ATTRACTION

Ram Mandir -The legendary city of Ayodhya, popularly identified as the present-day Ayodhya, is identified in the epic Ramayana and its many versions as the birthplace of the Hindu deity Rama of Kosala and is hence regarded as the first of the seven most important pilgrimage sites for Hindus.

Other places in Ayodhya like Hanumangadhi completes the piousness along the Saryu River.

This place is 110 km away from the venue and a drive of only 2 hours.
